If you are currently looking for an organization to referee your hockey league, our team would like the opportunity to assist. The LRG provides on ice officials for games at various levels of hockey, such as: minor hockey, high school, sledge, and adult.

As an organization we strive to maintain an environment that embodies the core values of integrity, leadership, perseverance, respect and teamwork while enhancing self-esteem, promoting self-confidence and cultivating a lifelong passion for the game.

THE HISTORY BEHIND LRG

2007 TO 2021

In 2007, the London Referee Group, also known as the LRG, was established. This was the merger of the Forest City

Referees Association (FCRA) and the London Hockey Referees Association (LHRA).

A team of five Fanshawe College Interactive Media Design students rebranded LRG into what you see today.

WHAT WE ARE ABOUT

Respectful Communication

You can't be biased in this business. Your job is to conduct a match regardless of what players, coaches, or spectators feel.

Integrity

Common sense gets easier with experience. Sure, you have to know the rules for your sport, but every game is different, and when a situation arises, you need to know how to handle it.

Common Sense

Confidence is as much about how you feel as what you project to everyone around you. Look confident in your body language and happy to be there and other people will see and respect that
